Sponsorship

1. On Report Day all sponsors will ensure that their Soldiers have the Pre-Execution Checklist filled out correctly. The 1SG and Commander's contact data must be correct. Student must possess a valid CAC card with valid IA certificate. Sponsors will not depart the Academy until they are briefed by the Deputy Commandant or a representative.
2. During the first 72 hours, military service members, in the rank of SGT (E-5) or above may drop off items at the Academy. The first 72 hours start at 1800 on Report Day and end at 1800 on Day 3. All items will be dropped off at the staff duty desk during the hours of 1800-2000 only. The only uniform for sponsors dropping off items or money will be ACUs. Civilians are not allowed to drop off items at any time.
3. WLC is a live-in course. Students will reside in the barracks Monday thru Friday. Student may be released for the weekend and federal holidays depending on the training schedule. If a student is late to formation, first offense, he/she will receive a negative counseling and will be ineligible for any awards (Distinguished Honor Graduate, Commandant's List, etc) and will not be allowed to go home until graduation. If a student is late and misses a graduation required event (performance evaluation, exam, STX, etc) he/she will be dismissed from the course.
4. NCOs in the rank of SGT (E-5) or above may schedule a lunch appointment. Dates for lunch appointments are pre-determined by the training schedule. Appointments will be made with the administrative support tech at (808) 656-0460. No other Soldiers or civilians are permitted to have lunch with a student.
5. Early release of a student will be the decision of the Commandant. The BN CSM will notify the Commandant of his/her request for early release of a student.
6. The student's bags and weapon will be picked up by Soldiers in ACUs and in a government vehicle only.
7. Sponsor parking is not allowed inside the Academy. All sponsors dropping off items will park outside the Academy in the gravel parking lot.

Instructions to Students On Report Day

Students will not bring a POV to the Academy on day zero. Gates open for students at 0700, and students must report NLT 0630. Uniform for reporting is Summer PT uniform with the PT Jacket. Students will report to the Academy with their assigned weapon. Before arriving at the Academy, students will strip off all optical and reflex sighting systems (i.e. ACOG, CCO, M68, EoTech etc.) as well as fore grips (“gangster grip”) and bipods and turn them into their unit armorer. Students are not authorized to store these items in wall lockers. Students should have their blank firing adapter already mounted on their weapons upon entering the Academy.

Students from Japan/Off Island

Soldiers from Japan that will be attending WLC should ensure that they are in contact with their local sponsor well in advance of arriving in Hawaii. Cell phones from Japan may not work in Hawaii, and students may consider a cheap pre-paid cell phone for use while at the Academy. Space will be allotted for extra baggage to be stored. Soldiers from Japan with unauthorized items (i.e. hand-held gaming systems, civilian clothes, etc.) will be allowed to secure these items without penalty. These items can be retrieved upon graduation.

Parking

Parking in the Academy is limited and students are not allowed to bring POVs to WLC. The picture below shows an overhead view of the Academy. The area labeled A is the primary parking area for sponsors. Area B is the gravel parking area immediately outside the West gate along Higgins Road. If there is not sufficient parking in area A, the overflow will be in area B. Area B is the West side of the asphalt track and grass area immediately adjacent to it that runs along the West side of the neighboring warehouse fence.

Some Helpful Information for Prospective Students

Students should report to WLC ready to train. Course pre-requisites can be found on the WLC website. Students should be in compliance with AR 670-1 upon reporting. Some common deficiencies seen among previous students include:

Haircuts not within regulation. Males MUST report with a fresh haircut. Females should ensure that their hair is in compliance and will remain so for the duration of the course.

White ankle socks too short. Socks must cover the entire ankle and if you are uncertain about your socks, assume that they are too short.

Poorly fitted/unserviceable uniforms. Ensure that your uniform is neither too tight nor too loose. Common deficiencies include: Physical Fitness Uniform (PFU) too large, dirty PFUs, faded/stained ACUs, ACU bottoms too small, Army Logo missing from shorts and unauthorized footwear.

AR 670-1 requires Soldiers to wear undergarments as appropriate. Spandex is highly recommended for physical fitness training. Females should wear a sports bra appropriate for vigorous physical training.

Sunglasses are not authorized at WLC except when prescribed by medical authority. Protective eyewear may be worn during field training provided that it is listed on the APEL (Authorized Protective Eyewear List) which can be found at:

<https://peosoldier.army.mil/docs/apls/MCEP-poster.pdf>.

Soldiers may wear tactical gloves available for purchase other than the issued black leather work gloves, provided that the gloves are listed on the APL (Authorized Product List) found at:

<https://peosoldier.army.mil/docs/FRCombatGlove.pdf>.

Possession of these gloves does not replace the black leather gloves on the packing list.

Student Chain of Command Responsibilities

Students in leadership positions derive their authority from AR 600-20. Students who do not obey orders are subject to dismissal for disciplinary or motivational reasons.

The student chain of command is responsible for the conduct of the students at all times (i.e., student time, study hall, breaks, all meals, return to classroom on time, etc). The student chain of command is authorized to be in the rooms of their Soldiers to inspect their areas from 0530 – 0800 hours daily. Leadership may also check their rooms during student time, however they must check in at the Staff Duty desk, before and after. Males and females must sound off with “Male on the floor” or “Female on the Floor” as appropriate, before moving onto the floor. At all other times, students must have permission from Cadre to be in areas of the opposite gender. While in a leadership capacity, when a male student is in a female student’s room or vice versa, the door and curtains for that room will remain open and both the room occupant and the visiting student leader will have a battle buddy of the same sex present. There is no exception to this policy. Any male student found in a female room, or female in a male room, without Cadre authorization may be released from the course for disciplinary reasons. Leadership evaluations will begin on day one. Leadership positions will be rotated every third day after that until all students have been evaluated. The appropriate student leadership Brassard will be used IAW AR 670-1. Each student will be evaluated as either Squad Leader or Team Leader, (1SG & PLT SGT are not graded leadership positions).

First Sergeant: The Student First Sergeant will receive all of his or her guidance from the Chief Instructor. He or she is responsible for:

- All class formations during the day.
- Dissemination of information to the Student Platoon Sergeants.

Weapons will be cleared in the following manner:

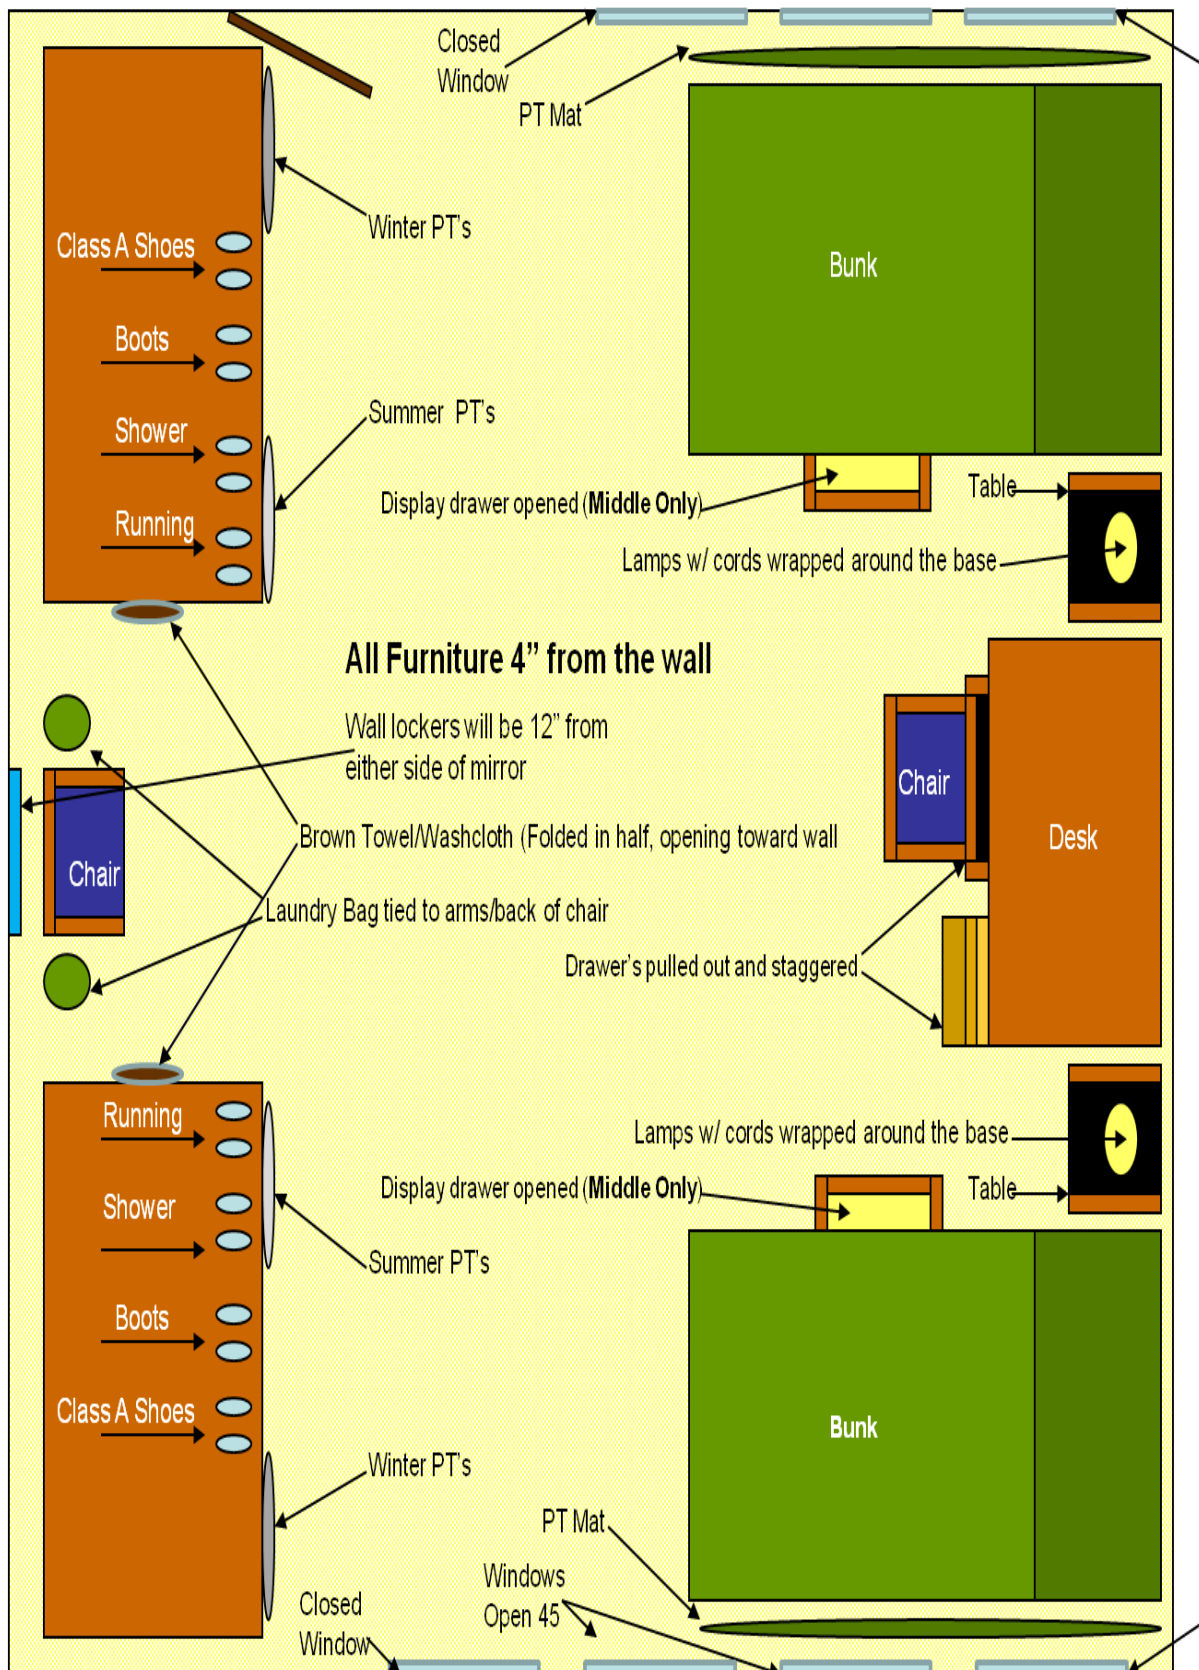

- Ensure the weapon is on safe.
- Remove the magazine from the weapon.
- Point the muzzle of the weapon inside the clearing barrel.
- Pull back on the charging handle.
- Check the chamber to ensure no rounds are present in the weapon.

Students will conduct an In Ranks and Barracks Inspections while at the Academy.

The In Ranks and Barracks Inspections are designed to evaluate the student leadership's ability to plan, prepare for, and conduct an inspection. These inspections are student led and play a large part in determining student scores for the Garrison Leadership Evaluation. Discipline, Military Bearing, and Attention to Detail are key elements of a successful inspection. Reference for this event is FM 3-21.5.

The Soldier's Creed

I am an American Soldier.

I am a Warrior and a member of a team.

I serve the people of the United States and live the Army values.

I will always place the mission first;

I will never accept defeat;

I will never quit;

I will never leave a fallen comrade.

I am disciplined, physically and mentally tough; trained and proficient in my Warrior tasks and drills.

I always maintain my arms, my equipment and myself.

I am an expert and I am a professional.

I stand ready to deploy, engage, and destroy the enemies of the United States of America in close combat.

I am a guardian of freedom and the American way of life.

I am an American Soldier!

The Army Song

First to fight for the right, and to build the nation's might,

And the Army Goes Rolling Along.

Proud of all we have done, fighting till the battle's won,

And the Army Goes Rolling Along

CHORUS: Then it's hi, hi, hey! The Army's on its way

Count off the cadence loud and strong

(two, three) For wher-e'er we go, You will always know

That the Army goes Rolling Along

CREED OF THE NONCOMMISSIONED OFFICER

No one is more professional than I. I am a Noncommissioned Officer, a leader of soldiers. As a Noncommissioned Officer, I realize that I am a member of a time-honored corps, which is known as “the BACKBONE OF THE ARMY.” I am proud of the Corps of Noncommissioned Officers and will at all times conduct myself so as to bring credit upon the Corps, the Military Service and my country regardless of the situation in which I find myself. I will not use my grade or position to attain pleasure, profit, or personal safety.

Competence is my watchword. My two basic responsibilities will always be uppermost in my mind; accomplishment of my mission and the welfare of my soldiers. I will strive to remain technically and tactically proficient. I am aware of my role as a Noncommissioned Officer. I will fulfill my responsibilities inherent in that role. All soldiers are entitled to outstanding leadership; I will provide that leadership. I know my soldiers and I will always place their needs above my own. I will communicate consistently with my soldiers and never leave them uninformed. I will be fair and impartial when recommending both rewards and punishment.

Officers of my unit will have maximum time to accomplish their duties; they will not have to accomplish mine. I will earn their respect and confidence as well as that of my soldiers. I will be loyal to those with whom I serve: seniors, peers and subordinates alike. I will exercise initiative by taking appropriate action in the absence of orders. I will not compromise my integrity nor my moral courage. I will not forget, nor will I allow my comrades to forget that we are professionals, Noncommissioned Officers, Leaders!
